LAST MILE GRANTS

This document contains a model policy for Last Mile Grants. The Last Mile Grant provides a second chance for students who were close to completing their postsecondary certificate, associate degree or bachelor's degree but did not complete the postsecondary program. The act provides grant funding for tuition and fees to the student to complete the postsecondary program, as the postsecondary credential may help the student to obtain a career, change careers or upskill their current career. Last Mile Grants can be implemented for specific priority degrees within the state.
